

# The Donnas, Are You Gonna Move It For Me

I didn't come here  
To see you pouring beer all over your face  
And no one told me  
That if you liked us you'd shoot up the place  
Somebody called the bouncer and get this guy of the stage  
He wrote his number on his boxers but he's three times my age

C'mon tell me  
Are you gonna move it for me  
I wanna know now  
Are you gonna move it for me

You wanna meet me  
But you wrote a bad review of our show  
If you don't like us  
What are you doing standing in the front row  
If you didn't come to party why did you bother coming at all  
And if you wanna get it on take it to the bathroom stall

Are you gonna move it for me  
(Are you gonna move it for me)
