

# The Doors, 4 Billion Souls

One, two, three, four billion souls are gonna rest  
If all our friends don't try their best  
To change the way this world is headed for  
We can find our hapiness  
It aint so hard to find  
Just look a little further up the line  
Just a little further up in time  
Don't you see that we could be the first in history  
Leavin' all that we don't need behind  
We could clean it up and make it shine
