

The Doors, Get Out Of My Life Woman

Get off of my life woman,
You don't no love me no more.
Get off of my life woman,
You don't no love me no more.
Get off of my life.
You don't no love me, yeah.
Get off the ladder woman,
Got to climb up to the top.
Get off the ladder woman,
Got to climb up to the top.
Get off the ladder, yeah.
You don't love me, yeah.
Get off my eye teardrop,
You can't see your way 'round.
Get off my eye teardrop,
You can't see your way 'round.
Get off my life woman, yeah.
Get out, get out.
You don't love me,
I don't want you hangin' round, babe.
I don't want you no more.
Get out my life woman,
I...
Get off my life woman
I don't want you no more, yeah.
Get off my life,
I don't love you no more.
Get off my life woman,
I don't want you no more.
