

# The Doors, Poontang Blues/Build Me A Woman/S

I've got the poontang blues  
From the top of my hip  
To my cowboy shoes

Whole lotta money  
Nothing to lose  
I've got the poontang blues

Give me a witness, darling.  
I need a witness, babe.  
I got the poontang blues. I got the poontang blues.  
From the top of my head to the bottom of my cowboy shoes.  
Build me a woman,  
Make her ten feet tall.  
You got to build me a woman,  
Make her ten feet tall.  
Don't make her worthless,  
Don't make her small.  
Build me a woman,  
Make her ten feet tall.  
You got to build me a woman,  
Make her ten feet tall.  
Don't make her worthless,  
Don't make her small.  
Build me someone I can ball  
All night long.
