## The Dresden Dolls, Modern Moonlight

Presenting modern moonlight just as advertised Coke and Pepsi finally found a compromise How can they complain that we're all fucked up kids When they keep on changing who our mother is?

Like it all you want it's fruitless Night is in the way of progress

Retinas are bleeding for the enterprise
Surgically wired into paradise
Yesterday I dropped in at the mkb
Everyone was messaging like it was going out of style
It was just the cynic in me
God, I love communicating!
I just hate the shit we're missing

Everybody join in the magnificence Yes! Everything is absolutely making sense Every time you turn around your soul gets sold To the highest bidder Then they turn around and merger and they merger And the merger and they murder and they murder The one who murders most will take it all

Fight it all you want it's useless Night is in the way of progress

We're gonna take your cities one by one Catch your cables cut your cords and spoil all your fun We're gonna make your lite a living hell Cause stripped of your equipment you'll be forced to face yourself

Wire cutters of the world
You know what to use it for
Spread the word to all the tightrope walker boys and girls
Brace yourself for miracles
You're in for a nasty shock
When the war is over
You can read the paper
When the war is over
You can read the paper
