

# The Dresden Dolls, Sing

There is thing that's like touching except you don't touch  
Back in the day it just went without saying at all  
All the world's history gradually dying of shock  
There is thing that's like talking except you don't talk  
You sing  
You sing

Sing for the bartender sing for the janitor sing  
Sing for the cameras sing for the animals sing  
Sing for the children shooting the children sing  
Sing for the teachers who told you that you couldn't sing  
Just sing

There is this thing keeping everyone's lungs and lips locked  
It is called fear and it's seeing a great renaissance  
After the show you can not sing wherever you want  
But for now lets all pretend that we're gonna get bombed  
So sing

Sing cause its obvious sing for the astronauts sing  
Sing for the president sing for the terrorists sing  
Sing for the soccer team sing for the janjaweed sing  
Sing for the kid with the phone who refuses to sing  
Just sing

Life is no cabaret  
We don't care what you say  
We're inviting you anyway  
You motherfuckers you'll sing someday
