

The Fall, Garden

The first god: had in his garden, from the back, looked like a household pet--but when it was twirled 'round was revealed to be a 3 legged black grey hog; SEE what flows from his mushy pen

That person is films on t.v. 5 years back at least
he's the 'Young Generation' trying to perform country and western

SMALL SMALL LOCATION
GARDEN garden

NEVER since birth not eaten in a day
Never since courtship stayed up some nights
HE had the 'Kingdom of Evil' book under a German history book--
he was contrived like that-- See what flows! from his mushy pen

GARDEN GARDEN

Sodomized by presumption

(..... his ferry stopped at 'Pool port. revealed to be spilit
slate with largesse resource.
Wild Bill hick, shaves and charts at last, made the second god
sad -- he's coming up.)

GODZONE GODZONE JACOB'S LADDER

the best firms advertise the least

THE second god, lives by fountains that flowed, by the blue shiny
lit
roads. Had forgot, what others still try to grasp.
HE knew the evil of the 'phone, the bells stopped on Sunday when
he rose.

SHOTGUN! SHOTGUN! SHOTGUN!

Perdition.

He's here. I saw him I swear on the thingy floor:
up on the brown baize lift shaft he's here! He's here at last!
