

# The Fall, Rose

The scarecrow's down  
I hope you are alright  
I am alright

There's a letter marked 'urgent'  
I have not yet read it  
Rose  
Rose

I hear you are in Hampstead  
I hope you can get married  
Rose  
Rose

Hear that wah-wah going?  
Remember you started it  
Freckles  
Rose

It is now all the rage  
With the younger set  
Your replacement  
He is a good man Rose?  
Rose

I've got a good woman  
Sometimes
