

The Fray, The Wind

Oh my God, think I'm lost at sea
The silent waves are my company
And I lost the land between the sky it seems
And wondering, "Will the wind ever come free?"
Yeah

Cause I don't know, I don't know where I am
Can you tell me, will I break or will I bend
Will the wind ever come again
Ooh, ooh

I feel the sun coming out, rising from the east
And I see the empire, falling to her knees
And I lost the land between, her and me
My troubles are gone if the wind ever comes free
Yeah

Cause I don't know, I don't know where I am
Can you tell me, will I break or will I bend
Will the wind ever come

You, left me on the shoreline
You will stand and bare
But you, I'll find you waiting
You were waiting for me, waiting for me

Tried to kiss the emptiness
Lost the line between sky and sea
I feel the sun coming up, coming up, coming up, coming up

But I don't know, I don't know where I am
I will break or I will bend
Will the wind ever come again?
