

The Friday Night Boys, Thursday Night Pregame

Woahh oh oh
Just take it back baby
take is back, back baby tonight
Woah oh oh
You gotta turn around, turn around
walk right out the door
So don't come back, don't even try
Staring at your phone alone tonight
Saby it's wrong, it felt so right
One last look into your eyes
One last kiss just like the movies
Did you think we'd fall over again?
Wait till next summer to get by without
(I guess we'll figure it out)
Woahh oh oh
Just take it back baby
take is back, back back tonight
Woah oh oh
You gotta turn around, turn around
Walk right out the door
You don't realize, you get away from me
I don't want to see you down on your knees
Just wait another second I know it's all right
I guess you're gonna get away this time
One last kiss just like the movies
Did you think we'd fall over again?
Wait till next summer to get by without
(I guess we'll figure it out)
Woahh oh oh
Just take it back baby
take is back, back back tonight
Woah oh oh
You gotta turn around, turn around
Walk right out the door
So don't come back don't even try
Staring at your phone alone tonight
Woahh oh oh oh
Just take it back baby
take is back back back tonight
Woah oh oh oh
You gotta turn around, turn around
Walk right out the door
