

The Frosts, WRITINGS

Keep writing at my head
I keep writing at yours
It's right and it's ok
We don't want to be alone

Think I'm scared of you(x3)
Am I scared of you
Are you scared of me(x3)
You should be

Wooo my darling
Wooo
Wooo my darling
I'm the one to get you

Wooo my darling
Wooo
Wooo my darling
I'm the one to get you home

Keep writing at my head
I keep writing at yours
Some things they just don't change,
I'm one your second one

I'm fed up with youth
It was never good
Barely any truth
I'm fed up with you

I don't need no love
To commercial, over sold
I don't need no proof
I just need you

I don't know
What I'm gonna do about you, about you
I don't know
What I'm gonna do about you, about you

Think I'm scared of you(x3)
Am I scared of you
Are you scared of me(x3)
You should be

Wooo my darling
Wooo
Wooo my darling
I'm the one to get you

Wooo my darling
Wooo
Wooo my darling
I'm the one to get you home

We don't want to be
We don't want to be

Alone with you
Alone for you
