

The Game, How We Do

(Hook - 50 Cent)

This is how we do

We make a move and act a fool while we up in the club

This is how we do

Nobody do it like we do it so show us some love

This is how we do

We make a move and act a fool while we up in the club

This is how we do

Nobody do it like we do it so show us some love

(Verse I - Game)

Fresh like, unhh; Impala, unnh

Chrome hydrolics, 808 drums

You don't want, none

Nigga betta, run

When beef is on, I'll pop that, trunk

Come get, some

Pistol grip, pump

If a nigga step on my white Air, Ones

Since red, rum

Ready here I, come

Compton, unh

Dre found me in the, slums

Sellin that skunk, one hand on my gun

I was sellin rocks when Master P was sayin "Unnh"

Buck pass the blunt

These G-Unit girls just wanna have, fun

Coke and rum

Got weed on the ton

I'm bangin with my hand up her dress like, unh

I'll make her cum, purple haze in my lungs

Whole gang in the front in case a nigga wanna, stunt

(Verse II - 50 Cent)

I put Lamborghini doors on that Es-ca-lade

Low pro so look like I'm riding on blades

In one year mang, a nigga's so paid

I have a straight bitch in the telly goin both ways (Ah!)

Touch me, tease me, kiss me, please me

I give it to ya just how you like it, girl

You know I'm rockin with the best tre pound on my hip

Teflon on my chest

They say I'm no good

Cuz I'm so hood

Rich folks do not want me around

Cuz shit might pop off, and if shit pop off

Somebody gon' get laid the fuck out

They call me new money, say I have no class

I'm from the bottom, I came up too fast

The hell if I care, I'm just here to get my cash

Bougie ass bitches, you can kiss my ass

(Hook)

(Verse III - Game)

I put gold Daytonas on that Cherry Six-Four

White walls so clean it's like I'm riding on bulbs

Hit one switch mang, that ass so low

Cali got niggaz in New York riding on hundred spokes

Touch me, tease me, kiss me, please me

I give it to ya just how you like it, girl

You know I'm rockin with the best fo' pound on my hip

Gold chain on my chest (Ah!)
