

The Goo Goo Dolls, Slide

Could you whisper in my ear
The things you wanna feel
I'll give you anything
To feel it comin'
Do you wake up on your own
And wonder where you are
You live with all your faults

I wanna wake up where you are
I won't say anything at all
So why don't you slide

Yeah we're gonna let it slide

Don't you love the life you'd kill?
The priest is on the phone
Your father hit the wall
Your ma disowned you
Don't suppose I'll ever know
What it means to be a man
If there's something I can't change
I'll live around it

I wanna wake up where you are
I won't say anything at all
So why don't you slide
Umm, slide

And I'll do anything you ever dreamed to be complete
Little pieces of the nothing that fall
Oh May, put your arms around me
What you feel is what you are
And what you are is beautiful
Oh May, do you wanna get married
Or run away

And I'll do anything you ever dreamed to be complete
Little pieces of the nothing that fall
Oh May, put your arms around me
What you feel is what you are
And what you are is beautiful
Oh May, do you wanna get married
Or run away

I wanna wake up where you are
I won't say anything
Yeah, slide

And I'll do anything you ever dreamed to be complete
Little pieces of the nothing that fall

And I'll do anything you ever dreamed to be complete
Little pieces of the nothing that fall

Oh May, why don't you slide into my room
Just slide into my room and we'll run away, run away, run away
