

The Jam, I've Changed My Address

Knew the time to leave had come when you pointed out your ring
Never could see what was in this matrimony thing
Baby, baby, baby you sure made a noise when I left
And your father started shouting lest you ironed my shirts
'fore I left

Would've liked to explain first but it was a split decision thing
Couldn't see me settling down with a mortgage and a kid
Now I hear you've been looking for me

Combing every single inch
You'll probably find me in Hyde Park

Try the hotel first then a bench
Baby, baby, baby I've changed my address
I didn't mean to make you cry but I know it's for the best

Baby, baby, baby I've changed my address
It's OK being in love girl, but then fun is second best

No one's gonna tie me down

Nobody tell me what to do

Don't you see I've got to be free

Sorry baby that's the way it is - get with me

I said maybe!

I didn't mean to break your heart and I know it's not your choice

Better think of it this way, there's other fools to entice

That's right!

Baby, baby, baby I've changed my address

I didn't mean to make you cry but I know it's for the best

Baby, baby, baby I've changed my address

It's OK being in love girl, but then fun is second best

Baby, baby, baby I've changed my address

I didn't mean to make you cry but I'm sure it's for the best

Baby, baby, baby I've changed my address

It's OK being in love girl, but then fun is second best
