

# The Jammy Dodgers, Greater Of Two Goods

get the fuck away from whatever makes you sad if it's  
your job or your lover or your mom or your dad don't let  
anyone ever keep you down you deserve to be happy every  
day what you don't like about your life you can change  
don't let anybody ever keep you down life's too short  
to waste a day of it hanging out with people who  
make you feel like shit don't let anybody ever make  
you cry don't settle for less than everything always  
keep working towards your dreams be whatever it  
takes to make a good life yourself as long as
