

The Jesus And Mary Chain, Never Understand

The sun comes up another day begins
And I don't even worry about the state I'm in
Head so heavy and I'm looking thin
But when the sun goes down I wanna start again

You never understandin'
You never understand me
Yeah

Don't turn around until you look at me
Why don't you take a second and tell me what you see
Things I see you only disagree
You never understand that's what I want to be

You never understandin'
You never understand me
Yeah

Not wishing to hide but you just can't see me
I tell you the truth but you don't believe me
Thinking of love but I can't hear what you're saying
Tomorrow I'm leaving
Cause I'm not understanding you
