

The Kelly Family, Hey Dideldey

Hey dideldey leprechauns are on their way
Hey dideldey leprechauns have passed away
Hey dideldey we're all to play
And we'll have a nice day, we're all to play
'Cause the leprechauns away
Well it's a sunny day at the Irish fields of fair
Give all of us fields of play, let's throw us a beer today
Well it's a sunny day at the Irish fields of fair
Give all of us fields of play, let's throw us a beer today
Hey dideldey...
Who's singing in the fair and the leprechauns are all there
They're jumping on the cows and we sang the song alone
Who's singing in the fair and the leprechauns are all there
They're jumping on the cows and we sang "the whiskey in the jar"
Hey dideldey... (2x)
We found a little bar, we hit the road a bit
'Cause I saw him on the ring, I know we saw him on the ring
Today he didn't die, he passed the goat a hat
He got his goat a beer, helps us in the world
Hey dideldey... (2x)
