

# The Kid LAROI, Miley Cyrus, WITHOUT YOU

You cut out a piece of me  
And now i bleed internally  
Left here without you, without you  
And it hurts for me to thing abiut  
What life could possobly be like  
without you, without you

I can't believe that you would up and leave me  
Fuck all of your reasons  
I lost my shit , you know i didn't mea nit  
Now i see it , you run and repeat it  
And i can't take it back  
So in the past is where we'll leave it

So there i go  
Can't make a wife out of a ho  
I'll never find the words to say  
I am sorry  
But i am scared to be alone

You cut out a pieces of me  
Now i bleed internally  
Left here without you  
No, no, no, without you  
And it hurts for me to think about what life could possibly be like  
without you  
No, no, no, without you

without you  
without you  
without you

feels like sleepin' with a ghost  
i called you up to letyou know  
i really wish that we could've got this right

So there i go  
Can't make a wife out of a ho  
I'll never find the words to say  
I am sorry  
But i am scared to be alone

You cut out a pieces of me  
Now i bleed internally  
Left here without you  
No, no, no, without you  
And it hurts for me to think about what life could possibly be like  
without you  
No, no, no, without you

without you  
without you  
without you
