

The Kid LAROI, Not Sober (feat. Polo G and Stunna)

This from the heart,
I said, I'm on top, on top
Ok., hold up, baby, roll one
Can we light it?
Can we smoke one?
Can we pour up?
Mix the Hennessy with the cola
I feel better when I'm not sober

Ok., hold up, baby, roll one
Can we light it?
Can we smoke one?
Can we pour up?
Mix the Hennessy with the cola
I feel better when I'm not sober

They tryna bring me down
Gotta stay focused
When i get sad
I get the Hennessy and pour up
Fuck dirty Sprite
I get the liquor and teh cola
And fuck my ex bitch
She did me dirty
I git no trust
Was nly young
But i leatned that these hoes ain't shit
I gave ypu ma ll
And this te thaks i get?
