

The Kiffness, Kitty Caught a Mouse - x Kyro (Singing Cat)

Kitty caught a mouse, and he brought it to the house
He's so very proud. We'll sing his kitty song loud

When a kitty hunt he hunt for show
Gotta prove he can live solo
When kitty was a hunter long ago
He had to run fast no he can't go slow

Whether in the sunshine or the snow
Gotta catch a mouse gotta he go go go
Kitty jump high then he get down low
Kitty still a pet but he's a hunting pro
