

The Kiffness, Kookee Kookee (CLUB ANTHEM) -

Kookee kookee, Kookee kookee
Kookoo krrr kookook, kookoo krrr kookook

There was a cockatiel-o who sang kookee kookee
The doctor told me that it's not a normal melody
The song had a supernatural ability
To cure any sadness for you and me

Oh Baby why don't we go down to the cockatiel-o
A song that only we know can make us feel alright
Oh baby why don't we show everybody how we go
To the cockatiel-o, it makes us feel alright

Everybody's singing the keekoo kee
Restoring our faith in humanity
I once was blind, but now I see
We all depend on a keekoo keekoo kee!
