

The Killers, Change Your Mind

Racy days, help me through the hopeless haze
But my, oh my
Tragic eyes I can't even recognize myself behind
So if the answer is no
Can I change your mind?

Out again, a siren screams at half past ten
And you won't let go
While I ignore, that we both felt like this
Before it starts to show
So if I had a chance
Would you let me know?

Why aren't you shaking?
Step back in time
Graciously taking
Oh you're too kind
And if the answer is no
Can I change your mind?

We're all the same
And love is blind
The sun is gone
Before it shines
And I said if the answer is no
Can I change your mind?
If the answer is no
Can I change your mind?
