

# The Killers, Exitlude

Aggressively, we all defend the role we play.  
Regrettably, time's come to send you on your way.  
We've seen it all: bonfires of trust, flash floods of pain.  
It doesn't really matter, don't you worry it'll all work out.  
No it doesn't even matter, don't you worry that ain't what it's all about.

We hope you enjoyed your stay  
It's good to have you with us  
Even if it's just for the day  
We hope you enjoyed your stay  
Outside the sun is shining  
Seems like heaven ain't far away  
It's good to have you with us  
Even if it's just for the day
