

# The Killers, Human

I did my best to notice  
When the call came down the line  
Up to the platform of surrender  
I was brought but I was kind  
And sometimes I get nervous  
When I see an open door

Close your eyes, clear your heart  
Cut the cord

Are we human or are we dancer?  
My sign is vital, my hands are cold  
And I'm on my knees looking for the answer  
Are we human or are we dancer?

Pay my respects to grace and virtue  
Send my condolences to good  
Give my regards to soul and romance  
They always did the best they could  
And so long to devotion  
You taught me everything I know

Wave good bye, wish me well  
You've gotta let me go

Are we human or are we dancer?  
My sign is vital, my hands are cold  
And I'm on my knees looking for the answer  
Are we human or are we dancer?

Will your system be all right  
When you dream of home tonight?  
There is no message we're receiving  
Let me know is your heart still beating

Are we human or are we dancer?  
My sign is vital, my hands are cold  
And I'm on my knees looking for the answer

You've gotta let me know

Are we human or are we dancer?  
My sign is vital, my hands are cold  
And I'm on my knees looking for the answer  
Are we human  
Or are we dancer?

Are we human or are we dancer?

Are we human or are we dancer?
