The Kills, U.R.A. Fever

Walk you to the counter What do you got to offer Pick you out a solder Look at you forever Walk you to the water Your eyes like a casino We ain't born typical

Find a piece of silver Pretty as a diagram And go down to the Rio Put it in my left hand Put it in a fruit machine Everyone's a winner Laughing like a seagull

You are a fever You are a fever You ain't born typical You are a fever You are a fever You ain't born typical

Living in a suitcase
Meet a clown, fall in love
went down to have you over
Going 'round a break up
Take you to a jukebox
That's the situation
Pick you out a number
And that's our arrangement

Dancing on the legs of a new-born pony Left right left right Keep it up son Go ahead and have her Go ahead and leave her You only ever had her When you were a fever

I am a fever
I am a fever
I ain't born typical
I am a fever

We are a fever
We are a fever
We ain't born typical
We are a fever
