The Knocks, Classic (feat. Powers)

Come to me baby Don't be shy, don't be shy, don't be shy Come to me baby Don't be shy, don't be shy,

It was a summer time, that summer high Oh what a masterpiece The way your eyes met mine, sweet Like apple pie, caught in your energy The future came to me, I see

Yeah, it feels so classic You and me, the magic And I know we have it Cause it feels, yeah, it feels, yeah It feels so classic Cause it feels, yeah, it feels, yeah It feels so classic

Come to me baby Don't be shy, don't be shy, don't be shy Come to me baby Don't be shy, so classic

What a summer time, when we lost our lines Between the birds and bees Buzzing in the blue sky, till the full moon rise Playing with chemistry Baby are you with me, oh

Yeah, it feels so classic You and me, the magic And I know we have it Cause it feels, yeah, it feels, yeah It feels so classic Cause it feels, yeah, it feels, yeah It feels so classic

Come to me baby
Don't be shy, don't be shy,
Come to me baby
Don't be shy, so classic
Come to me baby
Don't be shy, don't be shy,
Come to me baby
Come to me baby
Don't be shy

We're just looking for the fun, yeah We don't know what's gonna come, yeah Just looking for the fun, yeah We don't know what's gonna come, yeah

Cause it feels, yeah, it feels, yeah It feels so classic Cause it feels, yeah, it feels, yeah It feels so classic

Come to me baby Don't be shy, don't be shy, don't be shy Come to me baby Don't be shy, so classic So classic
