

# The Kooks, Rosie

See the same old crowd again  
Wash my hands and shake my feet  
And yes I missed you all  
Since I last saw you I fell down the rabbit hole  
As I wonder what we'd be like  
Wrapped up so up tight with you  
Lust will do funny things  
I don't want you to go out  
Looking so good  
And you look so good

Rosie, well I feel your love and I want you to agree  
To be  
Still take your time but get to me  
Rosie

She looked away as i mantioned her name  
The street lights light up my shame  
The world can take you and swallow your whole  
But your a big girl and I think that you already know  
You've been bought and sold

Be careful with me  
I see all that you see  
Troy died in a day  
For little Rosie

Rosie, well I feel your love and I want you to agree  
To be  
Still take your time  
Roll your stone to me  
Rosie

Gonna find you now  
Now I'll walk the beat  
And you'll do me a pirouette in the street  
And although we'll fall  
We'll find our feet  
Rosie

Well, I wanted you so easily  
Illusion past and now I see  
An image is so different to reality  
Rosie
