

The Libertines, Can't Stand Me Now

"An ending fitting for the start
You twist and tore our love apart
Your light fingers through the dark
Shattered the lamp, into darkness it cast us..."
"No, you've got it the wrong way round
You shut me up, and blamed it on the brown."
Cornered, the boy kicked out at the world
The world kicked back, a lot fucking harder
If you wanna try, if you wanna try
There's no worse you could do, uh oh oh
I know you lie, I know you lie
I'm still in love with you, uh oh oh
Can't take me anywhere
I'll take you anywhere
You can't take me anywhere
I can't take you anywhere
I'll take you anywhere you wanna go, oh
You can't stand me now
Have we enough to keep it together?
Or do we just keep on pretending
And hope our luck is never ending?
You tried to pull the wool
I wasn't feeling too clever
And you take all that they're lending
Until you needed mending
If you wanna try, if you wanna try
There's no worse you could do, uh oh oh
I know you lie, all you do is make me cry
And all those words, they ain't true
I can't take me anywhere
I can't take you anywhere
You can't take me anywhere
Well, I won't take you anywhere
I take you anywhere you want to go, oh
You can't stand me now
