

# The Like, 27 Days

27 days without you  
27 days and counting  
waves of disappointment are mounting  
quiet moments feel like im shouting  
knew that you'd be leaving without me  
kills me that you're happy without me  
innocence was lost  
such a fucking curse  
but still i hope you're thinking about me  
oh i wish that you were here  
oh i wish that you were here  
dont i wish that you were here  
to keep me by your side  
to keep me by your...  
never coming back but im waiting  
celebrate i'm yours for the taking  
breathing out of sheer desperation  
missing everything i've forsaken  
soaking up the endless apologies  
suffering was simply a part of me  
now you're out of sight  
you're out of mind  
but still you know that im your property
