

The Magnetic North, Bay of Skail

It's all there
coming in like in a room
coming all poor ever seen
it's all there
shining up for season
the snow white

It's all there
taking it back to nothing
every little thing I know
every little thing I have
sitting up bay of...
seeing it tight

It's alright
shining up for moment to
makes no walking
it's all there
taking it by
