

The Maine, Misery

I'll say this once again
You people, you are my friends
The devil, he can't come in
Tonight, that's right

Looking for misery, but she found me
Lying naked on the floor
I was headed insane, the devil told me his name
But he's not welcome here, anymore

Tell me what do you see
(What do you see?)
When you're looking at me?
(When you look at me)
This sense of responsibility is killing me inside, yeah

Looking for misery, but she found me
Lying naked on the floor
(Stay away, sweet misery)
I was headed insane, the devil told me his name
But he's not welcome there, anymore

Stay away, sweet misery
Stay away, sweet misery

The pressure's building with time
I made it up in my mind
I've got excuses for all these things that I tried in my life

Looking for misery, but she found me
Lying naked on the floor
(Stay away, sweet misery)
I was headed insane, the devil told me his name
But he's not welcome there (he's not welcome) anymore
Stay away, sweet misery
Not welcome anymore
Stay away, sweet misery
