

# The Makemakes, I Am Yours (Eurowizja 2015)

Anytime that you're thinking of me  
That you might want me  
I'll come on over  
Don't you know  
Anytime, anyplace I am yours

You're a lesson that I love learning  
So any time that you've got a yearning  
Don't you know  
Anytime, anyplace I am yours

You're what I belong to  
The one thing that feels true  
Everything I could ever want  
If you ever need me  
I'm waiting on you  
To walk right through that door  
Anytime, anyplace I am yours

If you're hoping for second chances of  
Stolen kisses I got the answer  
Don't you know  
Anytime, anyplace I am yours

You're what I belong to  
The one thing that feels true  
Everything I could ever want  
If you ever need me  
I'm waiting on you  
To walk right through that door  
Anytime, anyplace I am yours

You're what I belong to  
The one thing that feels true  
Everything I could ever want  
If you ever need me  
I'm waiting on you  
To walk right through that door  
Anytime, anyplace I am yours

Anytime, anyplace I am yours
