

The Michael Gungor Band, :Never Stop

Words and music by Michael Gungor

Come on, come on all who are free
Love has redeemed you
Rise up and sing louder!
Come on, come on
If you believe
Love has redeemed you
Rise up and sing.

I will never stop loving You
You have never stopped loving me
There is nothing that the world can do
I will never stop
I will never stop

Come on, come on
Oh can't you see
What we've been given
What we could be?
Come on, come on
If you believe
Love is redeeming,
Rise up and sing.

Make it loud, make it louder (repeat 3x)
Sing it loud, live it louder!
