

# The Moldy Peaches, Nothing Came Out

Just because I don't say anything,  
Doesn't mean I don't like you.

I open my mouth and I try and i try  
But no words came out.

Without 40 oz. of social skills  
I'm just an ass in the crack of humanity.  
I'm just a huge manitee.

A huge manitee.

And besides you're probably holding hands  
With some skinny, pretty girl that likes to  
Talk about bands and

All I wana do is ride bikes with you  
And stay up late and watch cartoons.

Duck Tales, shirt tails, Talespin, Sailor Moon, GI Joe, Robotech, Ron Jeremy, Schmoo.  
I wanna watch cartons with you.

Josie and the Pussycats and Scooby Do,  
I want you to watch cartoons with me.

He-man, Voltron and Hong-Kong-Fui  
I tried to ask you to your face

But no words came out.

I put on my hood and walked away,  
That doesn't mean I don't like you.

And besides your probably holding hands  
With some skinny, pretty girl that likes to  
Talk about bands and

All I wanna do is ride bikes with you,  
And stay up late and maybe spoon.

Just becace I dont say anything  
Doesn't mean I dont like you.

No...

I opened my mouth and i tried and i tried.  
And besides you're probably holding hands

With some skiny, pretty girl that likes to  
Talk about bands and

All I wanna do is ride bikes with you.  
And stay up late and watch cartoons.

I'm just your average Thundercats ho.
