

# The Moments, Love On A Two Way Street

I found love on a two-way street (I found love)  
And lost it on a lonely highway (I lost love, I lost love)  
Love on a two-way street (I found love)  
And lost it on a lonely highway (I lost love, I lost love)

True love will never die  
So I've been told  
But now I must cry  
It is finally goodbye, I know

With music softly playing  
Her lips were gently saying "I love you" (I love you, I love you)  
She held me in desperation  
I thought it was a revelation  
And then she walked out

How could I be so blind  
To give up love the very first time?  
To be fooled is a hurting thing  
To be loathed and fooled is a crying shame  
While I bear the blame  
As she laughs my name

With music softly playing  
Her lips were gently saying "Honey, I love you" (I love you, I love you)  
She held me in desperation  
I thought it was a revelation  
And then she walked out

I found love on a two-way street (I found love)  
And lost it on a lonely highway (I lost love, I lost love)  
Love on a two-way street (I found love)  
And lost it on a lonely highway (I lost love, I lost love)
