The Monkees, Admiral Mike

(Michael Nesmith) Peaceful Music (BMI)

Lead Vocal: Micky Dolenz

You're selling ads you slimy toad Don't smile at me and shake my hand You're killing me You're killing us Because you're only 'only selling ads'

You're selling ads you stupid twit The naked lunch is on your knife The homicides are suicides Because you're only 'only selling ads'

Your copy kills Your copy smells Realities are crushed beneath the ads your copy sells

Go back to hell you giddy fools There is no truth you cannot maim He killed himself You killed him first Because you're only 'only selling ads'

Your copy kills Your copy smells Realities are crushed beneath the ads your copy sells

You're selling ads you slimy toad Don't smile at me and shake my hand You're killing me You're killing us Because you're only 'only selling ads'

Because you're only 'only selling ads' Because you're only 'only selling ads' Because you're only 'only selling ads'
