

# The Monkees, Gettin' In

I'm gettin' in to your heart  
I'm gettin' in to your mind  
You'd better learn from the start  
You'll never leave me behind

My love's surrounding you  
My love will be your shield  
Just take me in to your heart  
And all will be revealed

Don't be scared to love me darling  
I won't chain you down, you know  
My love sets you free for flying  
Hold me, kiss me, off you go  
I'll stay with you  
I'm gonna stay with you  
I'll stay with you  
I'm gonna stick with you

I'm gettin' in to your heart  
I'm gettin' in to your mind  
You'd better learn from the start  
You'll never leave me behind

I was given love like this  
It was a gift I pass to you  
You'll be happy when you get it  
I was when I got it, too  
I'll stay with you  
I'm gonna stay with you  
I'll stay with you  
I'm gonna stick with you

I'm gettin' in to your heart  
I'm gettin' in to your mind  
You'd better learn from the start  
You'll never leave me behind

I love you baby, baby  
Love you everywhere  
Take me with you when you fly
