The Monkees, Gettin' In

I'm gettin' in to your heart I'm gettin' in to your mind You'd better learn from the start You'll never leave me behind

My love's surrounding you My love will be your shield Just take me in to your heart And all will be revealed

Don't be scared to love me darling I won't chain you down, you know My love sets you free for flying Hold me, kiss me, off you go I'll stay with you I'm gonna stay with you I'll stay with you I'm gonna stick with you

I'm gettin' in to your heart I'm gettin' in to your mind You'd better learn from the start You'll never leave me behind

I was given love like this
It was a gift I pass to you
You'll be happy when you get it
I was when I got it, too
I'll stay with you
I'm gonna stay with you
I'll stay with you
I'm gonna stick with you

I'm gettin' in to your heart I'm gettin' in to your mind You'd better learn from the start You'll never leave me behind

I love you baby, baby Love you everywhere Take me with you when you fly
