

The Monkees, Gonna Build A Mountain

1: I'm gonna build a mountain, from a little hill.
I'm gonna build a mountain, least I hope I will.
I'm gonna build a mountain, I'm gonna build it high.
I don't know how I'm gonna do it, only know I'm gonna try.

2: I'm gonna build a daydream, from a little hope.
I'm gonna push the daydream, up that mountain slope.
I'm gonna build a daydream, woah, I'm gonna see it through.
Gonna build a mountain and a daydream,
Gonna make 'em both come true.

3: I'm gonna build a heaven, as a will someday,
And the Lord sends Ga-bri-el to take me away.
Woah, I wanna fine young son, to take my place.
I'll leave my son in my heaven on earth with the good Lord's grace.

4: I'm gonna build a mountain, from a little hill.
I'm gonna build a mountain, least I hope I will.
I'm gonna build a mountain, yeah, gonna see it through.
Gonna build a mountain and a daydream,
Gonna make 'em both come true.

5: I'm gonna build a daydream, from a little hope.
I'm gonna push the daydream, up that mountain slope.
I'm gonna build a daydream, woah, I'm gonna see it through,
Gonna build a mountain and a daydream,
Gonna make 'em both come true.

6: I wanna build a heaven, as a will someday,

Yea-eah.
