

The Monkees, I Can't Get Her Off My Mind

By Tommy Boyce and Bobby Hart

I've been standing on the corner all day
Tryin' to think of little things to say
'Cause she walks by ev'ry day about this time
And I don't think, I'll ever get her off of my mind.

Well I only met her 'bout a week ago
But the way she smiles let me know
That she could see that maybe we were two of a kind.
And I don't think I'll ever get her off of my mind.

Oh she's so pretty I couldn't believe
She'd ever look my way
But the way I'm feeling
I'm gonna be stealing
That little girl's heart today.

Well, I'm so happy I could almost fly
And I guess you know the reason why,
I'm walkin' down the street with her little hand in mine.
And I don't think I'll ever get her off of my mind.

Oh she's so pretty I couldn't believe
She'd ever look my way
But the way I'm feeling
I'm gonna be stealing
That little girl's heart today.

Well, I'm so happy I could almost fly
And I guess you know the reason why,
I'm walkin' down the street with her little hand in mine.
And I don't think I'll ever get her off of my mind.
And I don't think I'll ever get her off of my mind.
