

The Monkees, Magnolia Simms

By Michael Nesmith

Love to me is blue-eyed and blonde.
Oh, that's sweet Magnolia.
Apple pie on the window still warm.
That's my sweet Magnolia

Walking under a sky that's so blue
After rain has fallen.
When she's walking so close by my side
My troubles seem to just run and hide.

(la-dee, da-dum, etc.)

Well, walking under a sky that's so blue
After rain has fallen.
When she's walking so close by my side
My troubles seem to just run and hide.

Magnolia Simms is my little doll.
I can't live without her.
For if she goes my world will just fall.
Stay with me, Magnolia.
(Sound of record skipping)
Stay with me, Magnolia.
