

The Monkees, Oh My My

by Jeff Barry and Andy Kim

Oh my my, I could love you forever.
Oh my my, I only wish that I could.
Oh my my, I could love you forever.
Oh my my, girl you feel so good.

You, you make my heart sing.
You make my life worthwhile.
I feel such there's so much to discover
To uncover it is gonna take a while.

Oh my my, I could love you forever.
Oh my my, I only wish that I could.
Oh my my, I could love you forever.
Oh my my, girl you feel so good.

I think of us together
It takes my breath away.
Up to the sky I go flying
"Oh my my" is all I can say.

Break

Oh my my
Oh my my my my
Oh my my my my my my
Oh my oh my (oh my oh my oh my my my my my my)

You, you make my heart sing.
You make my life worthwhile.
I feel such there's so much to discover
To uncover it is gonna take a while.

Oh my my, I could love you forever.
Oh my my, I only wish that I could.
Oh my my, I could love you forever.

Oh my my, I could love you forever.
Oh my my, I only wish that I could.
Oh my my, I could love you forever.
Oh my girl you feel so good.
