

The Monkees, Take A Giant Step

Words and Music by
Gerry Goffin and Carole King

Though you've played at love and lost
And sorrow's turned your heart to frost
I will melt your heart again.
Remember the feeling as a child
When you woke up and morning smiled
It's time you felt like you did then.
There's just no percentage in remembering the past
It's time you learned to live again at last.

Come with me, leave yesterday behind
And take a giant step outside your mind.

You stare at me in disbelief
You say for you there's no relieve
But I swear I'll prove you wrong.
Don't stay in your lonely room
Just staring back in silent gloom.
That's not where you belong
Come with me I'll take you where the taste of life is green
And everyday holds wonders to be seen.

Come with me, leave yesterday behind
And take a giant step outside your mind.
