

The Monkees, We'll Be Back In A Minute

We'll be back in a minute, back
Don't forget it
Don't you go away
Better stay right there
Don't you turn us off
'Cause there's no place left to go
But the show
We'll be back in a minute, back
Don't forget it
Don't you go away
Better stay right there
Don't you turn us off
'Cause there's no place left to go
But the show
