

The Monkees, Wind Up Man

I'm a wind up man
Programmed to be entertaining
Turn the key
I'm a fully automatic
Wind up man
Invented by the teeny bopper
Turn me on
And I will sing a song about a
Wind up man

I'm a wind up man
Programmed to be entertaining
Turn me on
And I will sing a song about a
Wind up world
Of people watching television
Wind up man
Can you hear me laughing at you?
Wind up man
Wind up man
Wind up man...
