

# The Moody Blues, I Don't Want To Go On Without

I don't want to  
Go on without you  
It's so bad to be alone  
Whoa, baby come home

I need you, yes I do now  
I will be so blue  
I couldn't see your face  
your face  
oh...it's in this place

Here in the gloom  
Of my lonely room  
I hold her handkerchief  
And smell her sweet perfume

I can't stand it  
Leave home without you  
O my Darlin' hear my plea  
Come on back to me

Here in the gloom  
In my lonely room  
I hold her handkerchief  
And smell her sweet perfume

I can't stand it  
Leave home without you  
Oh my darlin, hear my plea  
Come on back to me  
I can't stand it  
I can't stand it  
Leave home without you

Don't you go now  
Don't you go now  
Don't you go now

I will be so blue  
I don't want to go on without you
