The Moody Blues, The Morning: Another Morning

Balloons flying Children sighing What a day to go kite flying Breezes cool Away from school Cowboys fighting out a duel

Time seems to stand quite still In a child's world it always will

Fishes biting
So exciting
Lunchtime sounds so inviting
Angler Bill, He gets a thrill
Sitting, watching bobbing quill

Time seems to stand quite still In a child's world it always will

Yesterday's dreams Are tomorrow's sighs Watch children playing They seem so wise

Mary Green Today's a queen One thousand dollies are a-dreaming Cotton frocks and golden locks Her palace is an orange box

Time seems to stand quite still In a child's world it always will
