

# The New Main Street Singers, Main Street Rag

Walkin' down the main street,  
everybody's gonna sing...  
The mothers and the brothers,  
everybody let freedom ring...  
I'll put - your hand in mine.  
Gonna have us all ONE FINE TIME  
We're the Main Street Singers  
and we're here to make a crazy scene...  
How far out -  
can Main Street get.....  
can Main Street get  
Whoa...Yeah...
