The Offspring, Stuff Is Messed Up

Now I don't know when It's hard to explain But it seems things are just kind of insane Because the world is crying But nobody is listening So please leave a message on my cell phone

I see bullets getting better
Biblical weather
And the guy on TV is like a total asshole
Who are you wearing tonight?
Celebrity fundraiser type
Black ties making wrongs right
How's your social bandaid?

I don't know much, I don't know too much But I know this: shit is fucked up!

I guess it's all about the dream The ends justify the means

I'm telling you, shit is fucked up

You know it's all about the dream The ends justify the means

Now thank god for the media
For saving the day
Putting it all into perspective in a responsible way
With more celebrity news
Typical bullshit and views
I think we're losing this fight
Sponsored by Bud Light

And now we're rocking the casbah And taking the flag The genie's out of the bottle And we can't put it back All this stuff It's overwhelming my brain Can't you see the storm coming, It's coming this way

I don't know much, I don't know too much But I know this: shit is fucked up!

I guess it's all about the dream The ends justify the means

I'm telling you, shit is fucked up

You know it's all about the dream The ends justify the means Justify the means!

Shopping Sprees, RPG's
Ecstasy
Atrophy
Genocide
Pimp my ride
Politize
Euphemize
Injustice everywhere
Apathy

I don't care Hurricanes Climate change Huh!

Therapy, I won't tell Rehab and LOL Worldwide calamity TV Reality Euthanize, supersize Death squads and boob jobs VIP infamy Gratify instantly

I don't know much, I don't know too much I don't know much, I don't know too much

I guess it's all about the dream The ends justify the means

I'm telling you, shit is fucked up

You know it's all about the dream The ends justify the means The means! The means!
