

The Pretty Reckless, Blender

I used to hate you, but now i love you
so like a rose, so like a rose
and when you kiss me i wanna slap you
sorry folks I'm feelin I'm lost
I chew my nails down i look at the ground
I am pissed i am shy
Because you threw me in a blender
I am hot i am cold
Do you wanna get to know me?
Do you wanna learn to get inside my head
Do you wanna get to touch me?
cause now my ex is officially dead
I dont I-I-I-I-like you
I I-I-I-I-love you
I used h-h-h-h-hate you
Now I really fucking love you
I feel stupid but i won't tell you
I am blonde i feel dumb
I smile sweetly in the daytime
night i'll turn night i'll turn
I smoke my eyes out hoping youll shout
be my girlfriend be my girlfriend
and when you just flirt 'ill tell you it hurts
i want more i want more
Do you wanna get to know me?
Do you wanna learn to get inside my head
Do you wanna get to touch me?
cause now my ex is officially dead
I dont I-I-I-I-like you
I I-I-I-I-love you
I used h-h-h-h-hate you
Now I really fucking love you
Could you, could you, could you, could you keep a secret
Would you, would you, would you, would you wanna keep it
Wanna, wanna, wanna, wanna make a scandal
But I can get ya, get ya, get ya by the handle
And if you, if you, if you, if you really feel me
Then ya got me, got me, got me, thinking maybe
For a minute maybe two were not in public
I'll make ya I-I-I-I-I-I-I-I-I-I-lose it
I dont I-I-I-I-like you
I I-I-I-I-love you
I used h-h-h-h-hate you
Now I really fucking love you
